

# *Happy Father's Day!*

You teach us to be brave,  
You show us what is right,  
You hold us when we're scared,  
You fill our days with light.

Thank you for your gentle hands,  
Your wisdom and your care,  
For believing in us always,  
And always being there.

Fathers, bring them up in the training and  
instruction of the Lord
